TRESTURE STEAM OF VELLAR STEAM

shape such an unruly aggregation of diverse interests as the Democratic party. It would be easy enough for tome one nutside that party to give im eredit for that wonderful chievement, but it sounds funny is ming from Democratic sources, Mr. Wilson came into power embarrassed by what Republicans had come to call the "wild horses" of Democracy. The party was demoralized and unacestomed to rule. Leadership such as Filson imposed upon them had long en conspicuous by its absence. The ork of making congress, Damocratic both of its branches, pull together omed like an impossibility ahead e country felt that this president as strong, but the capacity of the arty for going ahead along the lines
